Week of... November 4th – November 8th

Important News

Weekly Planner

Book Orders Due Thursday November 7th.

Celebrating the 50th Day!

On Wednesday we will be celebrating the 50th Day of School! We are half way to 100!!! The students will be practicing math concepts that involve the number 50. To make the day even more fun...feel free to dress your child from the 50's. Rolled up jeans, slicked back hair, side pony tails, even poodle skirts and leather jackets! Have fun with it! Can't wait to see everyone!

Snack

If you have not already done so...Please send a HEALTHY snack from the approved allergy aware snack list for the Month of November. The snack should be enough to feed 20 students. Bags of pretzels/crackers work great! They do not need to be individually wrapped. Thank you!

Don't forget to continue to collect box tops!

What are we learning?

Reading Street

Unit 1 Week 4

Big Question: How are people and animals Important to one another?

Weekly Focus Question: How do wild animals take care of their babies?

Story: *A Fox and A Kit*

Amazing (vocabulary) Words: observe, wild, parent, canopy, screech, million, reserve, native

Phonics Skill: inflected ending -s, inflected ending -ing

Comprehension Skill: Main Idea/Details

Comprehension Strategy: Important Ideas

Please be sure you are reading **EVERY** night.
Whether you are doing the reading or your child is reading,
READING together is so important in first grade!!

Bonus Spelling Words

If your child has mastered the weekly spelling words and feel like he/she is up for an extra challenge try these...

**cuddles serves
studies scrubs tigers**

Unit

We will begin our Pennsylvania Unit of study during the month of November. Students will learn about communities, like that of the Amish and Mennonites as well as famous Pennsylvanians', like Betsy Ross, Benjamin Franklin, William Penn, Milton Hershey, and Fred Rogers.

Writing

In November we will be learning about different types of sentences, declarative, interrogative, and exclamatory sentences.

We will also continue to practice writing narrative stories with beginning, middles, and endings.

Everyday Math

Lesson 3.7: Telling Time to the Half Hour (extended)
Lesson 3.8: Introduction to Frames & Arrows Routine
Lesson 3.9: More Frames and Arrows Problems
Lesson 3.10: Counting with a Calculator

EVERYDAY MATH FREE APPS!!!

The publisher of *Everyday Mathematics*, McGraw-Hill is once again offering five of its ten EM game Apps for free on the following dates:
November 4-8, 2013

The following apps will be free and available via the iTunes App Store:

Addition Top-It Monster Squeeze
Equivalent Fractions Beat the Computer
Divisibility Dash

To learn more about the game apps go to: MHEonline.com/apps
